## HEALING SUMMIT 2017 – Building a Global Healing Business Community

*Cologne, March 2017 - The fourth annual HEALING SUMMIT 2017, inspired and organized by Healing Hotels of the World\*, takes place on March 6/7, 2017 in Berlin. The HEALING SUMMIT is all about bringing together like-minded people who are seeking a healing lifestyle in all areas of their life, both personal and professional, and who want to contribute to the wellbeing of others.*

What does it take to live a life filled with purpose, contentment, joy and prosperity? How would it feel, if, by our actions, this dream became a reality for all? What would this new reality look like for you personally and professionally? How can you be actively involved in this evolutionary shift? These questions and many more will be explored at the HEALING SUMMIT 2017.

Topics include “Healing and Business”, and in this context, how a holistic lifestyle influences the economy. The “Global Healing Economy” and “Business for Benefit versus Business for Profit” will be part of the discussion with delegates from six continents presenting their vision for a united, peaceful world. Finally, it will be examined how the ancient wisdom of indigenous peoples can influence both our personal and professional lives.

This year you can expect transformative talks from global business executives, scientists, integrative medical professionals, healers, psychologists and thought leaders.

Among the **speakers** at the HEALING SUMMIT 2017 are **Catherine Parrish** and **Dr. Marjorie Hines Woollacott**. **Catherine**, Founder & President, NextLevel Leadership Inc., served as the CEO of International Humanitarian organizations for over two decades and will be talking about „FROM ‚MONEY MONSTER‘ TO THE GODDESS OF ABUNDANCE – MAKING MONEY WORK FOR YOU“. **Dr. Marjorie**, Emerita Professor of Neuroscience at the University of Oregon, has authored the book: “Infinite Awareness: The Awakening of a Scientific Mind”, and will address „MEDITATION AS A MEANS TO EXTEND COMPASSION TO OURSELVES AND OUR PLANET“. A workshop will explore specific ways of how to “TURN HEALING INTO BUSINESS”. Amongst others Stella Photi, founder of Wellbeing Escapes, will share her experiences on “HOW TO PACKAGE AND SELL YOUR PRODUCTS: REACHING THE NEW CUSTOMER”. **Valerie Smaldone**, a 5-time Billboard Magazine Award winner and well known for her unprecedented success holding the #1 on-air position in the New York radio market, will be hosting the event. Valerie has hosted, produced and created several nationally syndicated programs featuring in-depth interviews with top recording artists.

Anne Biging, co-founder of Healing Hotels of the World and founder of the HEALING SUMMIT, announced: “Besides being inspired, this year we delegates will receive tools to implement a holistic understanding of business and economy into their business and personal life.”
