

HEALING SUMMIT announces dates for 2020 event

Annual event returns to the Pine Cliffs Resort in Portugal

28 June 2019, Cologne, Germany -- The HEALING SUMMIT will once again return to Portugal's beautiful Algarve coast, with next year's event taking place May 18-19, 2020 at the Pine Cliffs Resort in Albufeira.

The annual event is an initiative of the Healing Hotels of the World, and brings together like-minded individuals who are drawn to collaborate, raise awareness and inspire change. Socially conscious speakers from the fields of investment, science, healing modalities, mission-oriented organizations, and travel join together with delegates to create a gathering of global influencers committed to doing good.

The two-day event will build on the momentum from this year's HEALING SUMMIT, which saw 138 people from 28 countries gather to learn, connect and share their perspectives.

"We created something very special in Portugal this year – many even said it was a life-changing event," said Anne Biging, Co-Founder of the HEALING SUMMIT and Healing Hotels of the World. "We plan to harness that energy, nurture it and grow it as we create next year's gathering, with a program that will once again pioneer new perspectives."

Registration for the 2020 HEALING SUMMIT will be open soon, and an exciting lineup of speakers will be announced in the coming months.

"We're looking forward to re-convening at Pine Cliffs Resort with our cherished community, and to embracing new members, as we once again look for ways to create a future committed to healing," said Elisabeth Ixmeier, Co-Founder of the HEALING SUMMIT and Healing Hotels of the World.
