

HEALING SUMMIT postponed until 2021 ***Annual two-day conference to take place in Portugal next May***

Cologne, Germany, July 30, 2020 -- Due to the continuing Covid-19 crisis, Healing Hotels of the World has announced the postponement of its annual HEALING SUMMIT from October 2020 to May 2021.

The HEALING SUMMIT will still be held at the beautiful Pine Cliffs Resort on Portugal's Algarve Coast, and will now take place from May 11-12, 2021. Those who have already signed up for the event will automatically have their registration and hotel accommodations switched to those dates, with no additional fees.

"We have been keeping a keen eye on the global pandemic situation, and as much as we wished and hoped that it would be safe to gather together this October as planned, we agree that it just doesn't make sense to do so," says Elisabeth Ixmeier, co-founder of the HEALING SUMMIT.

An initiative of the Healing Hotels of the World, the HEALING SUMMIT brings together individuals who are drawn to collaborate, raise awareness and inspire change. Socially conscious speakers from the fields of investment, science, healing modalities, mission-oriented organizations, and travel join together with delegates to create a gathering of global influencers committed to doing good.

In addition to the rescheduled Summit in May 2021, a one-day virtual HEALING SUMMIT will be held in October 2020, with speakers and sessions planned to honor the original intention of coming together.

Since the pandemic began, the organization has expanded its online experiences in order to bring the power of their rich network of healers to people around the world. Sessions with leading Ayurvedic doctors, holistic practitioners, contemporary shamans, spiritual wellbeing practitioners, psychosomatic medicine specialists, energy coaches and trainers have been held regularly online, bringing people together for virtual healing moments.

As we begin to return to a new normal, Healing Hotels of the World remains the leading brand in healing hospitality and a platform for guests to book a wide range of healing holidays around the world.

"Our shared mission to guide people on a healing journey is stronger than ever, and our hearts remain open to this amazing community that we've formed – first in person, and now virtually," says Anne Biging, co-founder of the HEALING SUMMIT. "We will continue to stay connected, and we look forward to next May when we can all experience the healing power of coming together in person."
