HEALING SUMMIT  
JOURNEY**

OCT 24, 2020

**Cologne, Germany, October 20, 2020** -- Healing Hotels of the World will offer a two-hour virtual HEALING SUMMIT Journey on Saturday, October 24th from 10:00 to noon EST. While the full HEALING SUMMIT is scheduled to take place in May 2021 in Portugal, this free one-day virtual event is designed to enable participants to continue to share in the Summit's community, and to foster meaningful connections.

The event will showcase some of the unique practitioners at Healing Hotels of the World, and allow guests to learn from their healing wisdom. Euphoria Resort in Greece, FORESTIS in Italy, and the Pine Cliffs Resort in Portugal will all participate in the event, revealing their own special healing modalities and giving guests a chance to virtually experience the resorts.

"Due to ongoing international concerns about COVID-19, we could not host an in-person HEALING SUMMIT in October this year as planned, so we decided to take the event online in order to help our guests remain connected," says Anne Biging, Co-founder of the HEALING SUMMIT. "This virtual HEALING SUMMIT Journey will allow attendees to travel together virtually to new and exciting locations, and we hope it will strengthen our bonds with old friends and create connections with new ones."

In addition to experiencing healing practices from the three Healing Hotel partners, attendees will also hear from long-time HEALING SUMMIT presenter Catherine Parrish, who will discuss how to foster the beauty that resides within. Furthermore, time will be made for attendees to share and connect with one another.

"Over the past seven months, we've been able to foster deep and meaningful connections through our Zoom calls and personal virtual meetings," says Elisabeth Ixmeier, Co-founder of the HEALING SUMMIT. "The miracle of this pandemic is that it has opened us up in

unexpected ways, and given us opportunities to examine our lives and reconnect with our true selves. We hope that this virtual Summit will be one more gift to our wider community.”
