

HEALING SUMMIT moves to September 2022

Annual gathering to focus on theme of ‘The Healing of Everything’

18 January, 2022, Cologne, Germany -- With Covid now moving into its third year and new variants on the rise, organizers of the HEALING SUMMIT have made the decision to postpone this year’s meeting until September 3-4, 2022. The Summit will still take place at the beautiful Pine Cliffs Resort on Portugal’s Algarve coast.

The annual gathering is an initiative of the Healing Hotels of the World, and brings together like-minded individuals who are drawn to collaborate, raise awareness and inspire change. Socially conscious speakers from the fields of investment, science, healing modalities, mission-oriented organizations, and travel join together with delegates to create a gathering of global influencers committed to doing good.

“We have so been looking forward to meeting together in person, but unfortunately, we will have to wait a few more months,” says Dr. Elisabeth Ixmeier, Co-Founder of Healing Hotels of the World. “While we know the virus will likely still be with us in September, we hope that the warmer days of summer immediately preceding the event will result in a reduced number of cases – as has been the pattern in the past – and therefore less unpredictable travel and a safer environment in which to gather.”

The theme for this year’s Summit will be “The Healing of Everything,” and will integrate all aspects of healing – from the individual to our communities to the earth. In an effort to foster meaningful connections and ensure active participation, the Summit’s attendance will be limited to 130 people.

Registration for the Summit will open on February 1, with an early bird rate of €1,680 from February 1-15, and a rate of €2,100 thereafter. An exciting lineup of speakers and practitioners will be announced in the coming months.

“The HEALING SUMMIT 2022 will be like no other, providing profound experiential opportunities with world-class healers and delving into holistic practices,” says Anne Biging, Co-Founder of Healing Hotels of the World. “We know we will emerge from these years of pandemic life to a world that is more just,

sustainable and healthy, and we look forward to meeting in September as we come together in the spirit of this new world.”

Immediately preceding the HEALING SUMMIT, a one-day pre-conference event designed for Healing Hotel Members and carefully selected travel advisors will take place on September 2, 2022.
