The HEALING SUMMIT Aims to Foster True Healing

Theme of 'The Healing of Everything' inspires agenda

Among our new speakers: Mahesh Natarajan, Coco Swanson, David Behrens

30 May, 2022, Cologne, Germany — With a theme of ‘The Healing of Everything,’ the HEALING SUMMIT will take on a new format this year, with increased attendee participation designed to help participants enact meaningful change worldwide. Attendees will collaborate through interactive sessions, learning from each other and helping to bring healing to the world on an unprecedented global level.

“The HEALING SUMMIT offers a huge promise through its theme this year: The Healing of Everything,” says Anne Biging, Co-Founder of the HEALING SUMMIT. “This is not something we take lightly – the world is hurting and we need healing now more than ever. We know we have to do things differently this year in order to create meaningful change. Coming together in person after years of being bound to virtual meetings is a first step, but we want these days to be an opportunity to find new passion, inner power, tools and inspiration to improve both our personal and professional lives.”

The annual meeting of minds, an initiative created by the Healing Hotels of the World, will take place this year from 3-4 September at the Pine Cliffs Resort in Portugal.

The HEALING SUMMIT provides a space where individuals and businesses meet to debate, discuss and learn, with the aim of creating a global community of influencers who commit to doing good. In an effort to foster meaningful connections, the Summit's attendance will be limited to 130 people.

Keynote speakers at this year's event include Mahesh Natarajan, COO of Ananda in the Himalayas; Karin Bleecker, Program Director of New Life Portugal; and a wide range of healers and coaches from around the world, including Vanessa Paige from South Africa, David Behrens from the UK, Coco Swanson from the US, and Velleda Dobrowolny from Italy.

"Rather than just passively listening to speakers, the HEALING SUMMIT brings some of the best coaches and healers from around the world to help attendees tap into a healing mindset through our collective wisdom," says Elisabeth Ixmeier, Co-Founder of the HEALING SUMMIT and Healing Hotels of the World.

"Attendees will be in the good company of incredible minds and souls who have the burning desire to make this world a better place."

[Registration](#) for the Summit is open; the rate is €2,100.

Immediately preceding the HEALING SUMMIT, a one-day pre-conference event designed for Healing Hotel Members and carefully selected travel advisors will take place on September 2, 2022.
