MASSAGES

Deep Tissue Massage

30' HUF 21 000 60' HUF 38 000 90' HUF 51 000

Deep tissue massage which is recommended for the treatment of muscle and tendon injuries, as well as pain and stiffness. During the 60- and 90-minute treatments, the whole body is massaged, while in 30 minutes treatments you can opt for the neck, shoulders, back or legs area.

Relaxing swedish massage with aroma therapy oil

30' HUF 23 000 60' HUF 40 000 90' HUF 50 000

Aromatherapy massage is a relaxing massage that has a beneficial effect not only on the skin, but also on the soul thanks to the released essential oils.

Hot Stone Massage

80' HUF 44 300

During the lava stone massage, heated stones are placed on the energy centers of the body, and the oil massage is performed using these. This treatment detoxifies, relieves stress, relaxes muscles and improves circulation.

Traditional Thai Massage

60' HUF 29 600 90' HUF 38 000

The traditional Thai massage is done in clothes, lying on a mattress on the floor. Its peculiarity is that, in addition to their fingers, masseurs also use their hands, elbows and legs during the massage. Massage promotes the free flow of energy in the body by pressing and stretching the muscles.

Thai oil Massage

60' HUF 31 500 90' HUF 38 000

The Thai Oil Massage is a holistic treatment that balances the body, mind and spirit. Its main beneficial effect is its ability to completely relax, relieve tension, reduce stress, dissolve blocks on the energy pathways, and increase the body's energy level.

Thai Foot Massage

45' HUF 25 400 60' HUF 31 500

It stimulates the activity of internal organs, increases the body's immunity and has a detoxifying effect. The massage is done with cream or oil. The masseur uses not only his fingers, but also wooden sticks during the treatment, completely refreshing the body.

Reflexology Massage

60' HUF 31 500

By pressing the reflexology points on the soles, the body's self-healing mechanism is activated and the immune system is stimulated. It is an excellent remedy for various healthy problems, and also has a stress-relieving effect.

FULL BODY SCRUBS AND WRAPS BY SEED TO SKIN

Detoxifying Algea Marina Salt Scrub

60' HUF 42 300 90' HUF 55 000

A skin renewal treatment that harnesses the power of mineral-rich raw sea salt and an extraordinary blend of spirulina, shea butter and essential oils. It stimulates circulation, detoxifies the skin and removes dead skin cells. A personalized application of our deep-acting probiotic body balm further relieves tension, soothes the senses and nourishes the skin. The treatment includes a full-body exfoliation, followed by a shower, and then finished with a balm rehydration. During the 90-minute therapy we perform The Express Glow facial, which complements the overall experience and promotes a sense of holistic well-being.

Fito Aroma Therappy Restore Wrap

60' HUF 47 000 90' HUF 62 500

This energising ritual begins with a dry brush massage that gently removes dead skin cells and stimulates the lymphatic system. By applying mud that is rich in minerals, we stimulate the blood circulation and improve the skin texture. This is followed by a shower, and after this we rehydrate the skin with balm. During the 90-minute therapy we perform The Express Glow facial, which complements the overall experience and promotes a sense of holistic well-being.

Hidro Aroma Therapy

60' HUF 38 610 90' HUF 64 350

This extraordinary ritual begins with a gentle exfoliation to stimulate the blood circulation, detoxification and removal of dead skin cells. Treatment is one rich in vitamins and minerals, and continues with a massage with anti-inflammatory and regenerating body oil. To enhance the absorption of these beneficial active ingredients, we place the guest in a special packaging (bio sheet), thus ensuring even deeper nourishment of the skin. During the 90-minute therapy we perform The Express Glow facial, which complements the overall experience and promotes a sense of holistic well-being.

The Signature Melea Ritual

90' HUF 76 300

This exceptional head-to-toe pampering treatment enchants all the senses. The experience begins with a gentle, dry brush exfoliation to stimulate the lymphatic system. The ritual continues with a tension-relieving, warm candle massage. This is followed by the skin regenerating body wrap, which contains argan oil, shea butter, and extracts of vanilla rose and precious oud wood. Facial treatment during body wrapping stimulates the regeneration of cells and ensures a long-lasting pleasant feeling of well-being.

BODY RITUALS BY ALQVIMA

Alqvimia Bust Firming

60' HUF 35 800

This treatment creates soft skin and tight cleavage with the help of Bust Firming oils. The use of Taoist massage on the chest, together with the effect of essential oils, contributes to the harmony of female energies and the balancing of the hormonal system. The treatment includes a gentle exfoliation, followed by a firming mask and ending with a massage.

Alqvimia Oasis of Serenity

90' HUF 63 500

The ritual provides a sense of inner peace and deep relaxation, which affects both the body, mind and emotions. It helps to regain inner harmony. It's a stress-reducing body treatment that combines a nourishing and hydrating facial with the energy balance provided by Tibetan sound bowls. The exfoliation of the body is followed by a wrap, during which we perform the facial treatment, and then we finish with a relaxing massage, which is accompanied by the sound of Tibetan singing bowls.

Alqvimia Queen of Egypt

90' HUF 63 500

A beauty ritual with Dead Sea salt and mud and a pleasant lava stone massage mixed with exotic scents, incense and myrrh. It rejuvenates the skin, restores its beauty and natural attractiveness, and increases self-confidence. This ritual slows down skin aging, helps speed up the process of cell regeneration, thereby making the skin younger, softer, tighter and more hydrated, and so it is ideal for sagging and dull skin. The treatment includes a body exfoliation followed by a wrap. The rejuvenating facial treatment is performed during the treatment period, and the ritual ends with a soft massage with lava stones.

Alqvimia Eternal Youth Ritual

120' HUF 93 000

A special, holistic face and body treatment to rejuvenate the skin and achieve spiritual harmony. The exclusive treatment with essential oils, including energetic techniques. The first step is to clean the skin, followed by a gentle exfoliation, a firming wrap, and then a rejuvenating, anti-aging massage. After that, we use a pro-aging mask, give a hand and arm massage during the treatment period, and end the treatment with a jade stone massage.

Moxa therapy

30' HUF 23 000

The treatment takes place on the second chakra, which is located in the lower part of the abdomen and is an important energy center in the body. During the treatment, this area is stimulated with a preparation made of pure turmeric and other herbs, the purpose of which is to activate the internal fire and promote circulation and the proper flow of energy in the body.

MELEA FACIALS

Biologique Recherche MC 110 treatment

60' HUF 44 200

This renewal treatment fills and hydrates the skin using an innovative method. Using a special massage technique, it delivers the main active ingredients into the deeper layers of the skin. It reduces surface wrinkles. The skin of the face, neck and décolletage will be toned and plump even after one treatment.

Biologique Recherche MC 110 treatment

75' HUF 50 800

This renewal treatment fills and hydrates the skin using an innovative method. Using a special massage technique, it delivers the main active ingredients into the deeper layers of the skin. It reduces surface wrinkles. The skin of the face, neck and décolletage will be toned and plump even after one treatment. It contains a cooling mask or a longer facial massage, according to your skin profile.

Biologique Recherche Pigment 400 treatment

60' HUF 63 500

Color correction treatment, during which we reduce the proportion of pigment spots in the case of uneven, pale skin. The skin surface of the face, neck and décolletage becomes more uniform and toned.

Biologique Recherche PIGM 400 treatment

75' HUF 67 500

Biologique Recherche Soin Restructural Lissant

60' HUF 55 770 75' HUF 64 350

For better toned skin. A reconditioning treatment that tones the epidermis. The skin of your face, neck and décolleté is drained, smoothed and toned. The 75 minute treatment contains a cooling mask or a longer facial massage, according to your skin profile.

Seed to Skin The Express Glow

30' HUF 32 200

The perfect treatment if you want to get to know the Tuscan Seed to Skin phytotherapy product line. Just half an hour for healthy, hydrated skin. After double facial cleansing, dead skin cells are removed, and active ingredients extracted using a green molecular process are massaged into the skin. The eye area is treated with a cold therapy device, then the treasures obtained from nature are sealed into the skin with a cool jade roller.

Alqvimia Eternal Youth

100' HUF 73 900

A ritual supplemented with a special rejuvenating massage technique and rock crystal facial reflexology, the synergy of nature's treasures and energy, which manifests itself in the visible tightening effect of the tissues, the reduction of facial inflammation, the glow of the skin and the general well-being, which is an undeniable source of timeless beauty.

MELEA FACIALS

Seed to Skin The Essence

60' HUF 68 700

This treatment is the essence of Seed to Skin phytotherapy. A perfect facial and décolleté treatment with arm massage, based on the synergy of herbs. After double facial cleansing and peeling, there is a rejuvenating facial and décolleté massage and facial tightening with guasha stones. We apply a personalized mask with special ingredients (such as manuka (honey/volcanic coal/pink clay/fermented plant extracts). During the mask treatment period we relax tired muscles with an arm and hand massage. Then, a treatment with a cold therapy tool takes care of the sensitive skin around the eyes, and the active ingredients are sealed into the skin with a cold jade roller at the end of the treatment, which affects all the senses..

Oxigeneo treatment

60' HUF 55 000

Three-in-one skin renewal, which means that we exfoliate, nourish, and oxygenate at the same time. We offer personalized treatment for various skin problems. With the radiofrequency treatment that reaches the dermal layer, we achieve immediate skin tightening, followed by oxygenation skin exfoliation according to the skin type. The treatment is concluded with an ultrasonic injection of the active ingredient.

Oxigeneo treatment

90' HUF 65 400

Three-in-one skin renewal, which means that we exfoliate, nourish, and oxygenate at the same time. We offer personalized treatment for various skin problems. With the radiofrequency treatment that reaches the dermal layer, we achieve immediate skin tightening, followed by oxygenation skin exfoliation according to the skin type. The treatment is concluded with an ultrasonic injection of the active ingredient. The treatment ends with a facial massage or with LED therapy and facial mask.

Oxigeneo treatment GP GLAM

60' HUF 65 400

The Oxigeneo Glam treatment strengthens the skin's protective layer, preventing invisible water loss. Its skin-rejuvenating active ingredients containing gold flakes, silk protein and antioxidants stimulate collagen formation with an immediate firming and skin-elasticizing effect.

Oxigeneo treatment GP GLAM

90' HUF 73 900

The Oxigeneo Glam treatment strengthens the skin's protective layer, preventing invisible water loss. Its skin-rejuvenating active ingredients containing gold flakes, silk protein and antioxidants stimulate collagen formation with an immediate firming and skin-elasticizing effect. The treatment ends with a facial massage or with LED therapy and facial mask.

SPECIAL TREATMENT BY SEED TO SKIN FOR MEN

Seed to Skin Cure for Man

60' HUF 68 700

Perfect refreshment and renewal during one treatment, which includes a face and a head massage. We apply a customized filling mask containing special ingredients (such as manuka honey/volcanic coal/pink clay/fermented plant extracts). Then, a treatment with a cold therapy tool takes care of the sensitive skin around the eyes, and the active ingredients are sealed into the skin with a cold jade roller at the end of the treatment, which affects all the senses.

The Cocoon - Face & Body Rituals

90' HUF 63 500

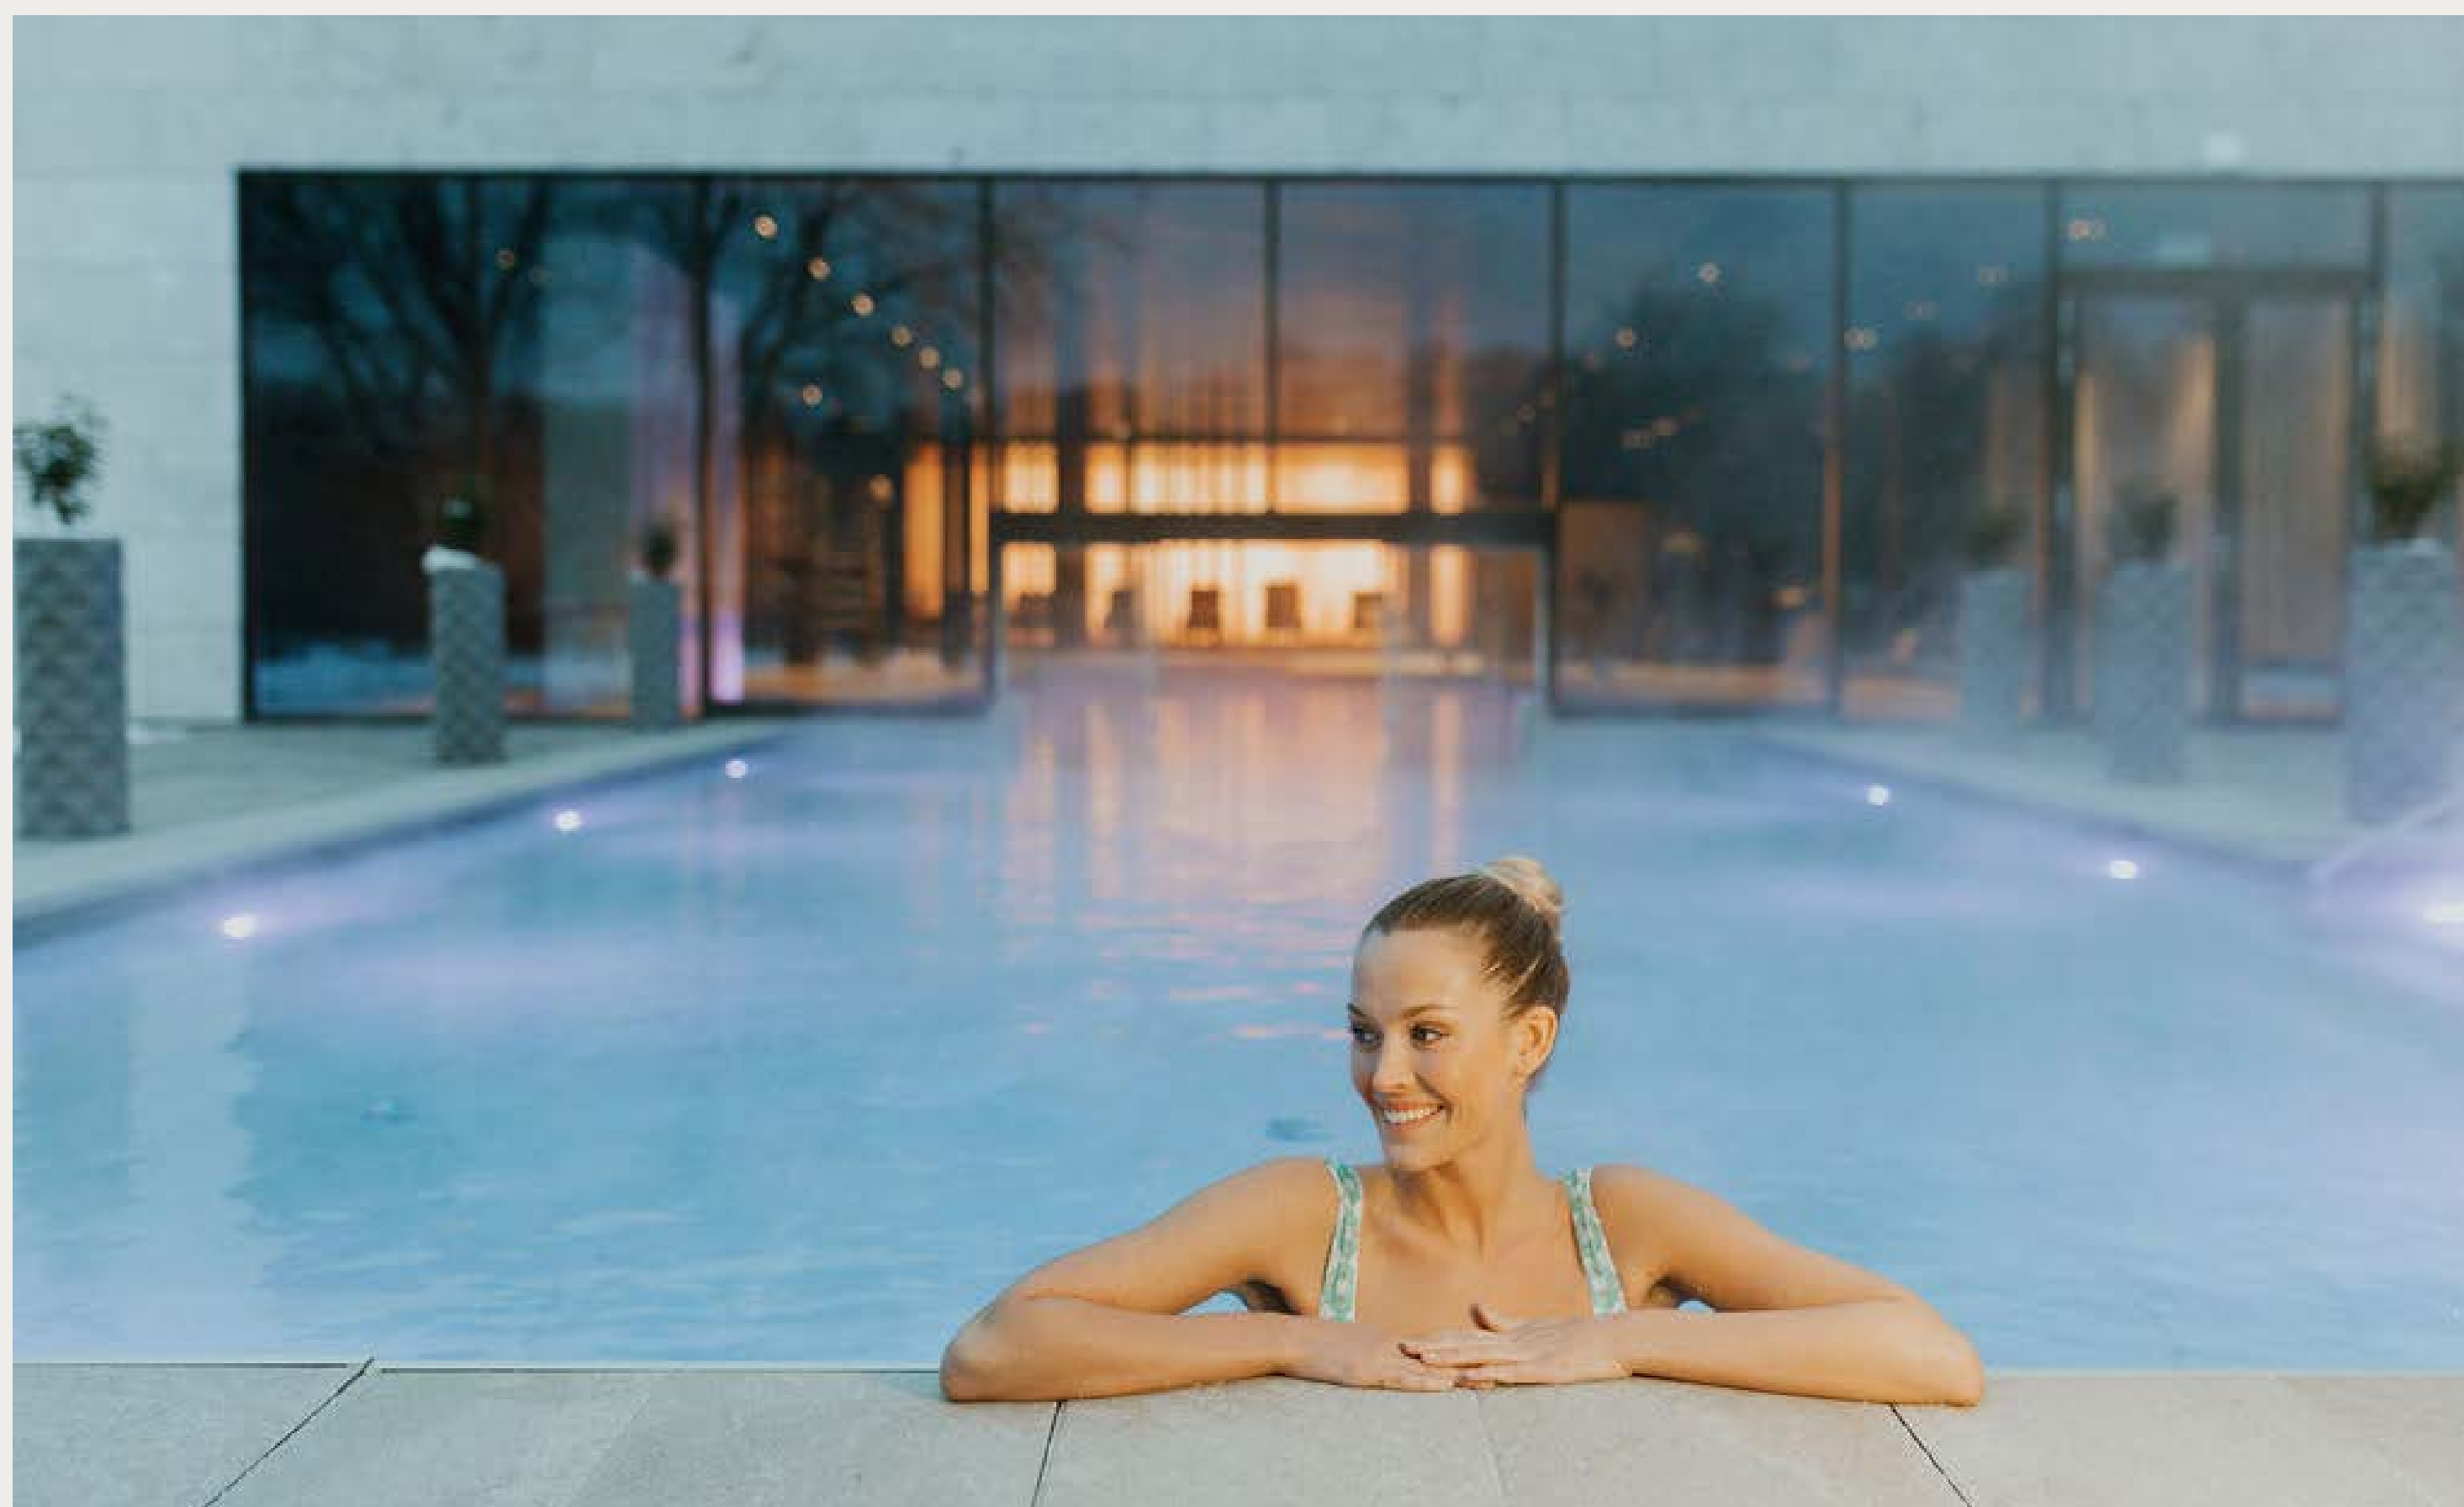

This head-to-toe treatment starts with a grounding foot bath and a gentle body brush massage that stimulates the lymphatic system, followed by an indulgent candle massage. Enveloped in a cocoon of argan oil, shea butter and pure extracts of vanilla, rose and oud wood, you'll enjoy a regenerating mini facial ritual.

NUVOLA TREATMENT

Soft Pack Treatment

20' HUF 16 900

The exclusive Nuvola "dry float therapy" has an effect on mental health, is also suitable for improving the quality of sleep, and gives you the experience of weightless floating. The body floats on 400 liters of warm water without you having to undress or get wet.
