Facial and hair diagnosis using the Aramo cosmetic diagnostic device: Analysis of skin type, sebum production, hair follicles, pores, and skin condition, as well as measurement of skin moisture and aging. Duration approximately 30 minutes.

Compilation of an individually tailored physical, mental, and spiritual program during the stay, as well as dietary recommendations within the framework of an integrative health proposal.

This package includes **an exclusive Welnamis experience** as well as **6 treatments**.

Meditation (mindfulness) under the guidance of a psychologist, focusing on silent meditation emphasizing mental health in the present moment.

The use of our Secret Spa section includes a heated outdoor and indoor pool, Jacuzzi, Kneipp pool, cold plunge pool, as well as two Finnish saunas, an outdoor sauna, a steam bath, an infrared sauna, and a relaxation room with a salt wall. These facilities contribute to restoring the physical and mental balance of our guests.

We offer a variety of daily programs (included in the package), allowing you to explore various theories and methods supporting a healthy, balanced lifestyle during your stay. Through workshops and seminars, you have the opportunity to learn the basics of healthy lifestyle, nutrition (cooking class), beauty care, and much more. Practice for example techniques of Yoga, Tai Chi, Nordic Walking, Breath Therapy, Aerobics, Water Gymnastics, etc., under the guidance of our personal trainers. All these activities contribute to finding a changed lifestyle.

Upon departure, you will receive not only a **detailed summary of your consultations** but also suggestions for maintaining or improving your health, including **advice on nutrition and physical fitness at home.**

Our beauty and spa treatments are carried out using exclusive products from the **Alqvimia, Biologique Recherche, and Seed to Skin** brands.
